Tokyu Fudosan Holdings Group's CSR

CSR Vision

We will work on creating solutions for social issues through our business activities and in the process enhance the satisfaction of stakeholders.

We find ourselves surrounded by a host of different challenges, spanning from environmental issues, such as global warming and ecosystem conservation, to social issues, such as aging society and a declining birthrate, as well as the need to reinforce compliance and risk management. Given this, the corporate social responsibility (CSR) of the Tokyu Fudosan Holdings Group is defined as promoting initiatives that leverage resources through its business activities to solve social challenges and enhance the satisfaction of stakeholders in the process. For this reason, we share the Tokyu Fudosan Holdings Group CSR Vision with all subsidiaries and consider CSR to be an important management task for which we are promoting initiatives through our core business.

CSR Promotion Structure

The Tokyu Fudosan Holdings Group has established the CSR Promotion Committee headed by the President & Representative Director in order to implement initiatives aimed at addressing various CSR issues.

We have established three councils, namely the Compliance Council, Environment/Social Contribution Council, and Diversity Council, as subcommittees of the CSR Promotion Committee, that lead management activities across the entire Tokyu Fudosan Holdings Group in their respective areas of focus.
